# MS Renoir

By adopting the “French chic” spirit, the ship’s design emphasizes elegant and graphic classicism, inspired by the friendship between Coco Chanel and Auguste Renoir. Powder pink colours subtly alternate with dark grey tones which provide the ship with a warm atmosphere.

The cabins are spread over two decks: on the upper deck, they have large bay windows with French balconies; on the main deck, they have large windows. Located on the upper deck, the restaurant, where all meals are served during the trip, offers delicate cuisine in a refined setting, where large bay windows allow you to fully enjoy the panorama. On this same deck is also the lounge / bar with a dance floor. Comfortable sun loungers are provided on the sun deck with a large shaded area, the ideal place to relax and admire the surrounding landscapes.
